

ACADIAN NEW BRUNSWICK CENSUS 1851

The following are extracted from the 1851 census microfilm #C-997. Some of the names are very hard to read, so if you find any errors please contact me.

Shediac Parish is in Westmorland County in New Brunswick.

It consisted of Shediac, Barachois, Saint Andre, Pointe Du Chene, Scoudouc and possibly elsewhere.

I have done this to the best of my ability and I do hope that the results help many of you in your genealogical research. I shall give you the families their ages and page # on the microfilm where I found them.

First I would like to list some names that were in the census and the correct names.
